TERMS

I authorize American Modern Insurance Group ("American Modern") to periodically charge my credit card or debit my selected bank account, pursuant to the billing schedule for my American Modern insurance policy including a \$1.00 service fee applied to each installment. I authorize my financial institution to accept the payment initiated by American Modern. I agree to maintain, at all times, sufficient funds or credit in the selected account. I understand that if a payment is denied by my financial institution, American Modern will consider my premium unpaid and the policy may be cancelled for non-pay in accordance with each policy and applicable law. I understand that if American Modern isn't paid because of insufficient funds or credit, American Modern may make multiple attempts to obtain payment, possibly resulting in additional fees or charges from my financial institution. I understand that any unpaid bills may result in fees described in my policy and I authorize American Modern to include those fees in my charges or debits, including a charge or debit to collect an NSF fee of \$20.00 (in FL, NJ and OR the fee is \$15.00). I agree and understand that American Modern may, at any time, terminate this arrangement and require another payment method.

I acknowledge that American Modern will 1) notify me in writing of the amount of debit or charge before the first transaction; 2) notify me if the amount changes; 3) charge or debit my account on or after the date of the month I select, or, if I make no selection, on the same day of each month as the date of the policy's inception.

I acknowledge that I may recover the amount of any erroneous charge or debit, either by check or credit to my account by notifying American Modern promptly if an error has occurred by calling 800-543-2644. I acknowledge that I have the right to terminate this authorization at any time by providing 15 days written notice mailed to American Modern, PO Box 5323, Cincinnati, OH 45201, or faxed to 800-217-5150. I will retain a copy of this authorization.
